

SOCIAL & EMOTIONAL LEARNING

SUMMER 2021

Starting Summer 2021, the social and emotional learning (SEL) course will teach key components of SEL and explore the relationship between SEL and academic learning. Learn as an individual educator or with the Train the Trainers model for your local education agency (LEA) or District/ School Teams.

SEL course topics include: Implementation School- or District-wide; Equity & Culturally Responsive Practices; Trauma Sensitive Practices; Evidence-Based Programs.

This course is brought to you by the School Support and Improvement (SSI) and School Safety and Social Wellness units of the Arizona Department of Education.

Visit www.azed.gov/improvement/professional-learning or email SSILearning@azed.gov for more details and information.
