

Simple, pooled
COVID-19 testing
now available
throughout the state
of Arizona.
Test every student,
every week.

Join us for a 45-minute webinar to
learn how to start a fully funded
pooled COVID-19 testing program at
your school:

[May 26 | 10:30 a.m.](#)

[June 9 | 10:30 a.m.](#)

[June 23 | 10:30 a.m.](#)

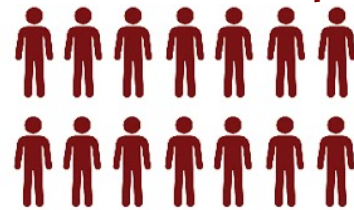

Concentric by Ginkgo is the largest nationwide provider of front-end pooled COVID-19 testing for K-12 schools.

Funded: The Arizona Department of Health Services fully supports your school's pooled testing program with federal relief funds from the American Rescue Plan.

Simple and scalable: It's easy to start and scale up a program. Whatever your question, we have the resources and support you need.

Proven: The program of choice for Massachusetts, Maine, Baltimore, and hundreds of communities across America.

What is classroom pooling?

1 Classroom
(up to 25 students)
